

No.G4/1405/2020

Collegiate Education Department,
Vikasbhavan, Thiruvananthapuram,
dated 16.01.2020

Circular

Sub:- Collegiate Education Department - IISER TVM-Frontier Symposium in Chemistry - At the School of Chemical Sciences at IISER Thiruvananthapuram on 17th and 18th of January 2020 – Directions issued- reg.

Ref:- E-mail message from the Principal Secretary, Higher Education Department, dated 16.01.2020.

The School of Chemical Sciences at IISER Thiruvananthapuram is initiating an annual symposium series, IISER TVM-Frontier Symposium in Chemistry (<http://conference.iisertvm.ac.in/frontierschemistry/>). The First in the series (FS-CHM 2020) will be held during January 17-18, 2020. The two-day symposium will deal with the recent developments in Chemistry and feature several talks from eminent speakers across the globe.

The registration cost for the symposium which provides for registration materials and local hospitality (including food and stay) is Rs. 2750 for all the participants. However, based on discussions with Higher Education Department of Kerala the registration cost for students from the State is reduced to Rs.1250.

They can accommodate an additional 50 participants from the State. It will be appreciated if you would kindly do the needful to ensure the participation of students/teachers from colleges and universities of the state.

Hence you are directed to ensure participation from students if you feel it is good. You can subsidize if the student has got 80% or higher marks.

Dr.Suma.K.K

Additional Director of collegiate Education

Copy to:-1. All Deputy Directors of collegiate Education (for intimating Aided colleges)
