Subject: Infrastructure project database – Reminder for Data collection for projects being executed by State Departments

Ref: D. O. No. 06/02/2014-PPP dated 11th February, 2015

Sir,

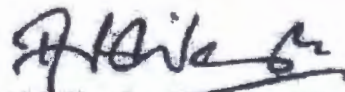

Department of Economic Affairs has developed a database, www.infrastructureindia.gov.in, to capture data on infrastructure projects (PPP and non-PPP) being executed at the Central and State level. Gathering of data from the Central Ministries and State Governments has been initiated for the purpose.

2. This is with reference to the DO letter of even number dated 11 February 2015 sent earlier. It was requested to identify a nodal officer for the purpose and have the consolidated data emailed at contact@infrastructureindia.gov.in. A copy of the letter is enclosed for your reference.

3. I would request that the information at (2) and (5) of the referenced DO letter 06/02/2014-PPP dated 11 February 2015 is sent at the earliest. However, while you are requested to share the data on projects, it may also be noted that the data is being added and updated in the database on an ongoing basis, so any new projects meeting the criteria or any updated information on the projects already shared may also be sent. We would also request that any update on existing projects and information on new projects may also be sent to us by the 1st week of every quarter (i.e. 1st week of April, July, October and January). In case any query/assistance is required, please do email us at contact@infrastructureindia.gov.in.

Yours faithfully,

Encl.: As above.

Subject: Authorization of M/s Projects Today for data collection

This has reference to the D.O. No. 06/02/2014 - PPP dated December 03, 2014 from Director (PPP), Department of Economic Affairs, Ministry of Finance, Government of India.

We would like to inform that PricewaterhouseCoopers Pvt. Ltd. (PwC) has been entrusted with the task of development, update and maintenance of a database for infrastructure projects (www.infrastructureindia.gov.in). The database will have information on infrastructure projects (including PPP) being executed by various Central and State Government ministries/ departments and, private sector agencies.

M/s Projects Today (a division of Economic Research India Pvt. Ltd.) is supporting PwC in collection of data for a period starting March 30, 2015 and ending March 29, 2017. The data being collected by Projects Today team during this period will be utilized for the purpose of the above mentioned infrastructure database only.

Sub: Development of Infrastructure projects database for Dept of Economic Affairs - ProjectsToday's request for projects data collection.

Dept of Economic Affairs is developing an Infrastructure database to capture data on infrastructure projects (PPP and Non PPP) being executed at the Central and State levels. The database will provide information on the status of projects across various sectors and will cover key particulars such as project description and capacity, key timelines, funding modality, bidding criteria, contract structure, status of execution and issues faced.

You are requested to share all possible information on projects sponsored or undertaken by your Ministry (and from related Departments and entities) covering following parameters:

1. All PPP projects either under planning, construction and completed including those projects stalled during the period April 2011 till date and
2. All Non-PPP projects (project more than Rs 50crores) either under planning, construction, and completed including those projects stalled during the period April 2012 till date.

Along with this letter, a soft version of the format / template for providing PPP and non PPP data is made available to you. The data is required in excel template to enable uploading on the database.

We request you to send the data by 30 January 2017.

For any query/ assistance, Please email us on contact@infrastructureindia.gov.in

We request you to extend your kind cooperation to the bearer of this letter, Mr. Sujith Kolankara who has been entrusted with the task of data collection.
